Deputy Commissioner's Office
Chitaldewog District
Dated 5th May 1897.

To
The Secretary to the Govt. of Mysore
General and Revenue Dept.

Sir, I have the honour to submit for the Orders of Government a petition from the inhabitants of Malleshwari Harihar Sub Talook, praying for the establishment of a municipality in that village.

2. The village contains 433 houses and its population numbered 1853 at the last Khanneshumari. It is a pretty big village.

3. It is situated by the side of a high road from Harihar to Channarayana. It is very often visited both by the Officers and good many travellers. The Sanitary Condition of the place as it now stands is not satisfactory. Some of the lanes are very narrow and dirty and require to be improved. During rainy season water stagnates in narrow and uneven lanes and emits a noxious smell.

4. A sum of Rs: 327 was spent up to the end of December last in carrying out some Sanitary works in the village such as opening out roads and filling up insanitary pits &c. from the District

District funds. A much larger sum however has to be spent on this account for improving the Sanitary Condition of the place. Funds are not available in the ordinary District Fund Budget for this purpose as the works of the similar nature are to be carried out in good many other villages from the same funds. -- Under such circumstances I am of opinion that the formation of a Municipality in a village like Malakemur is a very desirable measure.

5. A statement showing the estimated receipts and expenditure for that village for 1897-98 is hereto appended for adoption in case the establishment of a Municipality in this village is sanctioned.

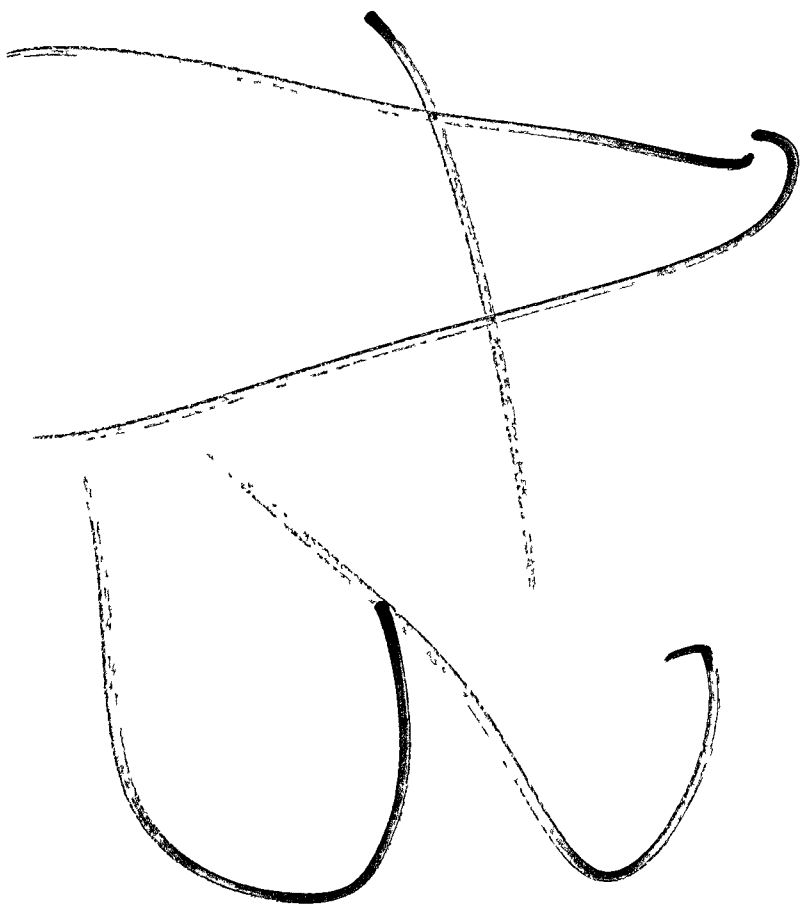

I have the honor to be,
Sir,

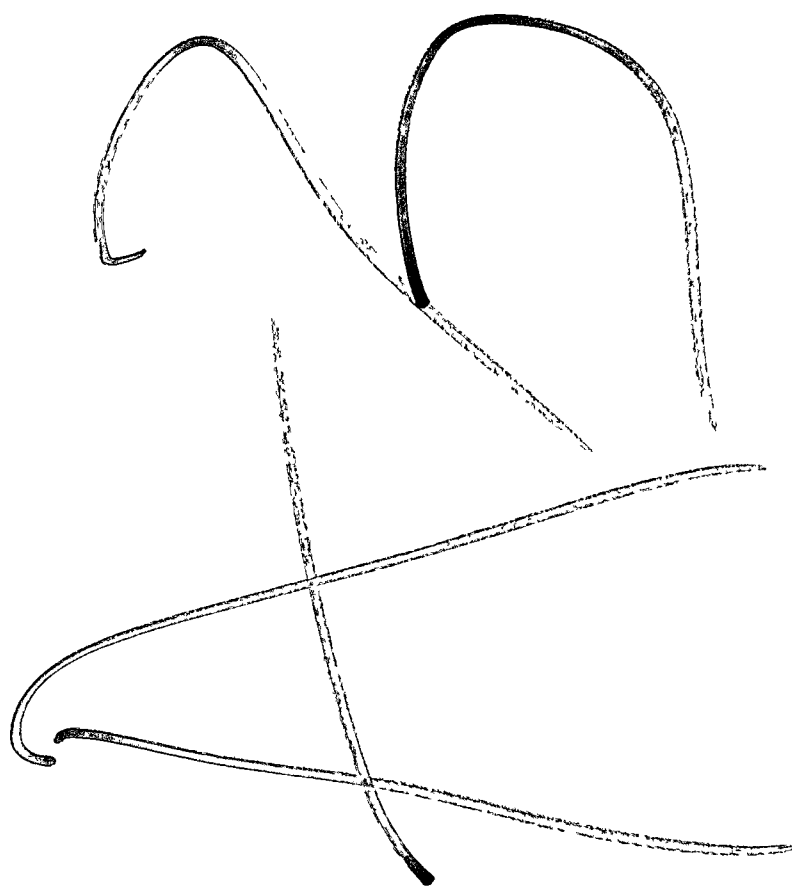

Your Most obedient servant
M. M. M. M. M.

President of the
Municipality, Thetaldroog.
